Monthly fee rebate

Each member is eligible for a monthly fee rebate up to \$50.

Members receive \$1 for every \$1,000 held in QT Mutual Bank savings/loans.

Calculation of the monthly rebate is based upon: average savings account balance or overdraft + balance of loan at end of month + balance of term deposit at end of month – unauthorised overdraft.

For joint loan and/or term deposit accounts, only the primary account holder will be eligible for the rebate.

The Everyday Account, First Everyday Account and Everyday Mortgage Offset Account are not part of the fee rebate scheme and their balances do not contribute to the rebate calculation for the other accounts the member holds.
